Berean Academy of Higher Learning

Founded by Pastor Charles Ford

Berean Academy of Higher Learning is open to students who are not yet considering working in ministry but desire the strong Bible education as a means of strengthening their own relationship with GOD and finding HIS direction.

Berean Academy of Higher Learning is primarily designed to develop and train its students for the ministry.

Pastor Ford's goal is to teach students how to effectively minister.

History

Berean Academy provides courses that deal with all phases of the ministry. Pastor Ford commits himself to teach those in a practical way to be effective and functional in those areas of the ministry to which you may be called

Berean Academy of Higher Learning was established in March 2006. A year later on March 2007, **Berean Academy of Higher Learning** recognized its first class of students.

The Academy enrollment continues to grow with each semester
